Ray Scott is a servant leader who daily demonstrates his strong belief in Faith, Family, Friends, and Community. I've been blessed to call Ray Scott, a friend, colleague, and supporter for over ten years. Ray shared his survival story with me and his unbelievable commitment to live every day to its fullest by giving back to those in need. Since I met Ray, my family has faced numerous crises, including my Dad and Mom's death and my Sister's diagnosis with stomach and esophageal cancer. Ray has been a source of strength and inspiration in how to handle difficult situations. The book **My Cancer God's Mercy** literally left me speechless; for anyone that knows me, that's really uncommon. His story makes you reflect on how God guides us every day, and although we don't know what God may have as our plan, he will give us direction to impact the world around us.

Thank you, Ray, for inspiring me to be a better person.

Sincerely,

Cecile Carson
